Mr. G. Narayana Aiyar: Is there any minimum period fixed?

Rao Sahib Dr. N. Kunjan Pillai: No.

Mr. M. N. Paramesvaran Pillai: With reference to the answer to part (*a*), may I know why certain Sub-Registrars are not entitled to T. A.?

Rao Sahib Dr. N. Kunjan Pillai: Sometimes they are transferred at their own request and then they are not given T. A. At other times they are transferred on account of certain complaints received against them and then also their T. A. is refused. If they are transferred by the department in public interests they are given T. A.

Mr. M. N. Paramesvaran Pillai: May I know from the member what exactly is the nature of the complaint on account of which a Sub-registrar is transferred from one taluk to another?

President: Unless you specify the individual the supplementary question will not be understandable.

Mr. M. N. Paramesvaran Pillai: May I know whether a Sub-Registrar who is transferred on complaint, will be entitled to get his T. A.

Rao Sahib Dr. N Kunjan Pillai: No.

Mr. M. N. Paramesvaran Pillai: May I know from the Chief Secretary in which cases do they give T. A. to the Sub-Registrar?

President: If the transfer takes place in the usual course, without a request from the Sub-Registrar, or without any complaint against him, then he gets T. A.

Mr. M. N. Paramesvaran Pillai: May I know whether those Sub-Registrars who were transferred on these grounds were given their T. A.?

Rao Sahib Dr. N. Kunjan Pillai: They will get their T. A. when they submit their bills.

ADJOURNMENT MOTIONS.

President: Notice of three adjournment motions has been received. The first is from Mr. N. K. Padmanabha Pillai. It runs thus :

> "I beg to move the adjournment of the business of the House to discuss a definite matter of urgent public importance, *viz*., the grave situation created in the country by the recent outbreak of malaria in epidemic form in the taluks of Neyyattinkara, Nedumangad and Vilavankod"

The Chair is of the opinion that this adjournment motion is in order. The question, therefore, I have to ask is whether the member has the leave of the House. If no objection is raised, it will be presumed that he has the leave of the House. (*After a time*). The member has the leave of the House to make the motion, and I fix 3-30 P.
